

Supporting Our Mission with eGiving at CLC

How to support our Mission

CLC is pleased to announce that we are now offering an electronic option for making regular offerings. Contributions will be debited automatically from your checking or savings account.

Our new electronic giving program offers convenience for you. If you are currently giving on a weekly basis, you will no longer need to write out 52 checks a year or prepare 52 envelopes.

When travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis.

If you currently participate with Simply Giving, you can continue with that and use the electronic option for special offerings or use the electronic options for all your offerings.
