

**Worship Update:** CLC's ReOpen Worship Action Team has updated our mask wearing policy. People who are fully vaccinated may now enter the church without masks. We still ask those who are not vaccinated to wear a mask for the safety of others, including children under 12 who cannot yet receive a vaccine. Anyone who is more comfortable wearing a mask is most welcome to do so.

**Earth Keeping Committee—update:** We are just collecting individual household batteries. Please do not drop off power packs or rechargeable batteries or batteries in units that require disassembling. We no longer are collecting light bulbs. Put your regular florescent and incandescent bulbs in a bag and throw them in with your trash. You can take your own compact florescent bulbs to Home Depot in Grandville and bag them there for recycling or take advantage of the household hazardous waste events in your city, township or county. For further information call Kent County 616-632-7920 or lookup [www.reimagnettrash.org](http://www.reimagnettrash.org). Thanks for taking care of our earth!

**The Word in Season:** The new Word in Season is in! You can pick one up during the service, stop in during office hours or call Pia 616-532-2774 to get one mailed to you.

**VBS Update:** We will not be doing a VBS this year. We will be getting a group together to start planning VBS 2022! If you would be interested in helping plan VBS 2022 please let Tara Know!

**Prayer Partners:** We have a group going to Work camp June 20th to 26th! We are looking for some people who would like to be a prayer partner for them! If you don't know what is involved, it is writing a note or prayer for them to have each day of the trip and little goodie bags for them to take with them. If you are interested or have any other questions please let Tara know.

**Personal Care Pantry:** We have served 29 people from six different families in May. We are going to press pause on donations until the numbers coming from UCOM increase. Thanks so much for providing some much needed help to members of our community!

#### **Prayer Shawl Makers**

There is quite a bit of donated yarn available for shawls - more right now than will fit in the bottom of the cabinet. You can find it out on a table in the narthex, and I hope you will take some home to make up. I appreciate all of you who have made and donated such pretty shawls for our ministry. I know they are much appreciated by the recipients and there has been a lot of need this year. Thank you to all of you. If you would like to pick up some yarn, it will be available to pick up on Sundays or during office hours during the week. After that I hope it fits back in the cabinet. Thanks again for your efforts! Marilyn Burgard
