Thursdays, 6:30 – 7:30 PM

Join us for a Five-week Book Study Discussion on
Jim Antal's book

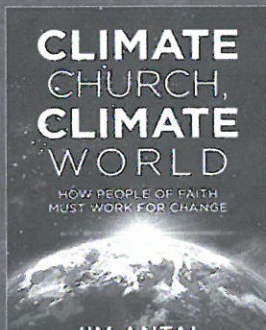

Climate Church, Climate World

Led by Pastor Erick Johnson and Pastor John Burow, this group will have the opportunity to prayerfully consider together: Why and how do we, people of faith respond to the moral challenge of the climate emergency?

Questions may be addressed to Erick Johnson (erickj74@gmail.com) or John Burow (pastorjburow@yahoo.com).

This group is intended for those of us who feel concerned, anxious, overwhelmed, perhaps isolated, disappointed by the Church's response and bewildered about what our response could be.

One hoped for outcome is for us to feel encouraged, supported, even accountable by and to one another in this struggle.
